

KENRAY[®]

CLASSIC RANGE

COST-EFFECTIVE QUALITY

The Classic range of forming sets has been refined and developed over 30 years of manufacturing. Customer feedback provides the focus for continual improvements in design and quality enabling KENRAY to maintain its position as the industry leader in forming set production and design.

- Chrome plated as standard.
- Free from tracking or vertical seal problems.
- Gas flushing options available.
- Reduced weight compared to OEM products.
- Excellent delivery schedules.

KENRAY provide a specialist consultancy service to ensure your machine is correctly maintained in order to help achieve maximum efficiency.
